

Starting Over

Exodus 33:12-23

Pastor Jesse Waggoner – July 19, 2009 AM

To start over in God's service, realign your viewpoint to true reality

1. Understand that trauma happens (vs. 12-13)

- A. Trauma can come from those you serve
- B. Trauma can come even from followers of God
- C. Trauma can come even from those closest to you

2. Underscore your dependence on God's presence (vs. 14-15)

- A. With God's presence, we find rest
- B. Without God's presence, we do not make progress

3. Underline God's grace in your life (vs. 16-17)

- A. We need to believe in God's grace in the future
- B. We need to see God's grace in our past

4. Undergo transformation by God's glory (vs. 18-23)

- A. God's glory is beyond us
- B. God's glory is before us

CONCLUSION: Is it time for you to start over?
